**SPONSOR PACKET**

***Project Mobility*** is the charitable arm of The Bike Rack in St. Charles. Project Mobility's mission is to make a positive difference in the lives of children, adults and wounded soldiers with disabilities. This is made possible by providing the services, resources, and equipment needed to promote better health, independence, and the freedom of mobility through adaptive cycling.

**WE NEED YOUR HELP NOW  
MORE THAN EVER!**

Our 3 largest fundraisers we host throughout the year have either been postponed, changed to virtual or canceled. Everything we do at Project Mobility relies **HEAVILY** on these events.

Please sponsor the #VirtualEdition of Everybody Rides Presented by ALDI. Even though the event is virtual we still will be giving away an adaptive bike(s) and continuing our mission everyday. We need your support this year more than any year in the past!
